Date: 14 August 2026

Dear Sir / Madam,

Final Settlement Prices - Crop 2025

We refer to our circular letter dated 13 July 2026 regarding the Derivation of Revenue by Planters producing up to 60 tons of sugar Crop 2025.

We are pleased to share the table as follows, received from the Mauritius Sugar Syndicate (MSS) on the final settlement prices for Crop 2025, **to be used for payment to planters:**

Final Settlement Prices - Crop 2025

Revenue Stream	Payment Rate Basis	Final Rate (Rs)
Sugar	Per ton of sugar	24,094.51
Bagasse	Per ton of sugar	3,087.05
Government Financial Support *	Per ton of sugar	5,392.90
Molasses and Distiller-Bottler levy	Per ton of molasses	5,125.08

** Applicable to Planters producing up to 60 tons of sugar*

With regard to the Molasses and Distiller-Bottler Levy, the price of Rs. 2,425.54 represents only a conversion in terms of sugar for the purpose of determining the guaranteed price of Rs. 35,000 per ton of sugar and should therefore not be confused with the final settlement rate of Rs. 5,125.08 per ton of molasses.

In addition, please find below the **final molasses rates (kg molasses per tonne of cane at 86° Brix) for Crop 2025** for the three factories.

Factory	Kg Molasses per tonne cane @ 86° Brix
Terra	32.67212
Alteo	32.78685
Omnicanne	40.01025

Thank you for your attention.

Yours faithfully,

S.Sookna
Chief Executive Officer
